

BERKELEY STATION

1342 Berkley St.
Santa Monica, CA 90404

**1
bedroom**

**30-50% area
median income**

**Construction to
begin Feb. 2025**

13 units

Little Berkeley is an affordable housing project that will feature 13 one-bedroom apartments and cater to low-income families and transition-aged youth. The building will offer a community garden and community patio. Construction has begun in Plant Prefab's factory and will begin onsite at the end of April 2024.
